

Training Courses

Terms & Conditions

1. **Places are limited and will be allocated on first come, first served basis.**
2. For the courses to run successfully, I need a minimum of 12 delegates per day, per course; so please, if you are booking travel and accommodation make sure cancellations can be made without incurring costs.
3. Savva Automotive Ltd reserves the right to alter the date and/or course location without prior notification. No liability will be accepted for travel, accommodation, or any other expenses incurred by delegates.
4. All courses must be paid for in full 14-days before the start date, otherwise your place will not be secured. If you are arranging accommodation at the hotel where the courses are held, please mention you are attending The Garage Inspector training event, as in some cases, you may be offered a preferential rate; however, I am not in control of this.
5. **Cancellation Policy**
I accept that delegates have to fit in course attendance around work commitments, however, it is necessary to plan delegate numbers for courses to run reliably and smoothly. Please remember, I have to commit and pay all costs for venues, in most cases, at least 6 weeks in advance. I will endeavour to accommodate delegates' requirements and deal with individual cancellations. A credit may be issued under exceptional circumstances. The cancellation policy is as follows:
 - Cancellation 21-days before course start date: Full refund
 - Cancellation 14-days before course start date: 50% cancellation charge
 - Cancellation 13-0 days before course start date: 100% cancellation charge.
6. Name change of a delegate may be made at any time without charge.

This agreement is subject to the laws of England and Wales.
